

## Grindrod Elementary Kindergarten 2023 Gradual Entry Schedule

In SD83, Kindergarten children are welcomed into their new school at the beginning of September by their classroom teacher and other key staff members using the Gradual Entry model. The gradual entry process helps support a smooth and successful transition into kindergarten. Teachers will be introducing children to classroom routines and procedures and helping the students adjust to the new social and emotional realities of school. A school supply package will be available for purchase. A package of information will be sent home during the first week. **BUSSING:** Eligible riders must be registered for bus privileges (250-832-7415).
